135.08 EXCAVATIONS. No person shall dig, excavate or in any manner disturb any street, parking or alley unless such person first obtains a permit therefor as hereinafter provided:

Any costs incurred by the City in providing or maintaining adequate barricades or warning lights shall be paid to the City by the permit holder/property owner.

Streets, sidewalks, alleys and other public property disturbed in the course of the work shall be restored to the condition of the property prior to the commencement of the work, or in a manner satisfactory to the City, at the expense of the permit holder/property owner.
5. Inspection. All work shall be subject to inspection by the City. Backfill shall not be deemed completed, nor resurfacing of any improved street or alley surface begun, until such backfill is inspected and approved by the City. 6. Completion by the City. Should any excavation in any street or alley be discontinued or left open and unfinished for a period of twenty-four (24) hours after the approved completion date, or in the event the work is improperly done, the City

has the right to finish or correct the excavation work and charge any expenses therefor to the permit holder/property owner.

7. Responsibility for Costs. All costs and expenses incident to the excavation shall be borne by the permit holder and/or property owner. The permit holder and owner shall indemnify the City from any loss or damage that may directly or indirectly be occasioned by such excavation.

8. Permit Issued. Upon approval of the application, a permit shall be issued. A separate permit shall be required for each excavation.

9. Permit Exemption. Utility companies are exempt from the permit application requirement of this section. They shall, however, comply with all other pertinent provisions.

135.09 MAINTENANCE OF PARKING OR TERRACE. It shall be the responsibility of the abutting property owner to maintain all property outside the lot and property lines and inside the curb lines upon the public streets, except that the abutting property owner shall not be required to remove diseased trees or dead wood on the publicly owned property or right-of-way. 135.11 DUMPING OF SNOW. It is unlawful for any person to throw, push, or place or cause to be thrown, pushed or placed, any ice or snow from private property, sidewalks, or driveways onto the traveled way of a street or alley so as to obstruct gutters, or impede the passage of vehicles upon the street or alley or to create a hazardous condition therein; except where, in the cleaning of large commercial drives in the business district it is absolutely necessary to move the snow onto the street or alley temporarily, such accumulation shall be removed promptly by the property owner or agent, and only after first making arrangements for such prompt removal at the owner's cost of the accumulation within a reasonably short time.

If the property owner fails to reimburse the

City for the cost of said repairs, the cost shall be certified to the County Treasurer and specially assessed against the property as by law provided.
